EMBRACE THE SILENCE

Silent Legion is a veteran-owned business with a no-compromise attitude in both product and personal integrity. When we give you our word, it's a guarantee.

We are long-time firearms industry professionals, and understand the needs of the military and law enforcement, as well as the needs of shooters and hunters. We've been delivering cutting edge gun and accessory designs for decades and take a lot of pride in staying ahead of the pack.

Our name underlines our core philosophy and stands for strength, honor and a belief in helping others. That's what we bring to discriminating users everywhere.

Our commitment to you:

This stuff will perform.

You'll get great value for your dollar.

We warranty your purchase for life.

Ed Schoppman
CEO, Silent Legion LLC

WHY DO I NEED SUPPRESSORS?

Just a few of the many good reasons:

- Suppressors help save **everyone's** hearing.
- Suppressors are the courteous way to shoot.
- They significantly reduce recoil.
- Suppressors enable much faster follow-up shots.
- Bottom line—They're a boatload of fun for all ages.

WHY SHOULD I INSIST ON SILENT LEGION?

- Our products are backed up by 40 years of gun and suppressor-making experience.
- They are made to certified, exacting standards that few suppressor manufacturers can guarantee.
- We offer a lifetime warranty on our suppressors.
- We believe in worthwhile causes, and back that up with substantial levels of charitable commitment.

OK, SO NOW WHAT?

Go to silentlegion.com/WhatToDo to learn what is the best process for you, and to better understand how your purchases fuel goodness around the world.

BACKING IT UP

Silent Legion only offers products that are built solid, with the highest standards of quality, rugged performance, and consistency. Period. Many years of living up to military performance standards has permanently focused our attitude to one end: To serve you, our customer.

Our products are made in a state-of-the-art facility that turns out unparalleled quality. Because the factory is ISO 9001 certified, there is a guaranteed level of manufacturing consistency that is rare in the suppressor world. That should explain why we can stand behind our suppressors with such confidence and give you a Lifetime Warranty.

Prices and specifications are subject to change without notice.
